**Alumni Association.**

Pursuant to a call issued some days ago a number of former students of the University of Virginia met yesterday morning in the office of ex-Mayor K. Kemper, 218 King street, and formed an organization of the local alumni of the University. The meeting was presided over by Mr. Kemper, and Mr. Douglas Stuart acted as secretary. Judge J. B. Sener, formerly of Fredericksburg, but now a resident of Washington, and president of the General Alumni Association outlined the plan of organization adopted at the last general meeting of the alumni, after which the following officers were elected: President, K. Kemper; vice president, Dr. John S. Powell, of Occoquan; secretary, Douglas Stuart; executive committee, Judge J. K. Norton, Harry P. Caton, Eugene J. K. Taylor, Gardner L. Bothe and R. Walton Moore. Messrs. James O. Bruin, H. B. Caton, and Douglas Stuart were appointed a committee on membership, and Messrs. K. Kemper, Howard Hume, Lewis Machen, and E. B. Taylor were elected delegates to the next annual commencement of the university. The constitution and by-laws of the General Alumni Association were adopted, subject to such changes as may be necessary to meet local conditions. The annual meeting of the organization will be held upon the anniversary of the birth of Thomas Jefferson, the founder of the University of Virginia.

**Sentenced to the Penitentiary.**

William Bright and Edward Jones, both white, were late Thursday evening found guilty in the Corporation Court, of housebreaking and robbery and each sentenced to serve a term of two years in the penitentiary. The case occurred nearly the whole session. The jury, however, was out but a short time. Mr. C. C. Carlin represented the prisoners, and the prosecution was conducted by Mr. Lewis Machen, in the absence of Commonwealth's Attorney Samuel G. Brent, who was engaged in the county. Several months ago the two men were arrested on the charge of burglarizing the saloon of Mr. Samuel P. Wingfield, northwest corner of Duke and Fayette streets. The men broke open a nickel-in-the-slot machine, and secured chips and money valued at about \$25. A few days afterward they were arrested, and some of the spoils were found at the house of Bright, on upper Duke street, and also a quantity of plug tobacco, which was supposed to have been stolen. Bright is about twenty-three years of age, and has served various terms in the city jail for petty offenses, and also served a term of nine months in the Washington jail on the charge of the theft of a bicycle. Little is known here of the previous character of Jones. He was only recently released from the penitentiary, having served a term of stealing from freight cars at Culpeper. He is about thirty-five years of age.

**The Fourth of July.**

The anniversary of the Declaration of Independence, strictly speaking, was not celebrated in Alexandria yesterday; that is, there was nothing saving of a parade or public gathering. There was, however, a partial observance and business was in the main suspended. There was probably more than the usual din by reason of the latitude given all to indulge in explosives and libitum. The small boy with his stick and caps, larger ones with cannoncrackers and occasionally men with guns let all know it was Fourth of July from dawn until a late hour at night. After dark roman candles, rockets and other fireworks, together with lighted balloons made the scene lively. The drum corps failed to carry out the request of the late Lewis McKenzie, and there was no martial music to greet the day. The excursion steamers carried large crowds of people up and down the river during the day. So far as can be learned there were no serious accidents from the handling of firearms or explosives.

**Called off until September.**

A well attended meeting of Mount Vernon Chapter, Royal Arch Masons, was held last night. The chapter was called off until September 5. Mount Vernon Chapter, while second in point of membership, has ever been regarded as first in efficiency in Virginia. The members participated in a feast of seasonable edibles before the adjournment last night.

**Last call for the season on Lace Caps and Bonnets at Schwartz's, 518 King street.** All these goods are marked down to exactly 1/2 of the usual selling prices. Your only chance is now of buying.

**Disorderly Soldiers.**

Several soldiers from one of the nearby military stations visited this city yesterday evening and wended their way to north Lee street where they became involved in a difficulty with some Alexandrians, during which it is alleged bottles were thrown. Later the soldiers endeavored to enter the house of Paney Howard, and upon being denied admission threw stones and finally broke in the door, after which they disappeared. Lieutenant Smith and Officer Young traced one of the party to a near-by saloon and put him under arrest. He gave his name as James Roland. The Mayor this morning fined him \$10.

Numbers of soldiers visit Alexandria daily and they often precipitate rows. They almost invariably appear on north Lee street, and it is thought that sooner or later serious affairs will occur.

**Police Court Items.**

Two white men were before the Mayor yesterday morning—one charged with assault and the other disorderly conduct. They were fined \$5 each.

Several cases were on the docket this morning.

A colored man, charged with wife-beating, was fined \$5.

James Roland, charged with destroying property and with disorderly conduct on north Lee street, was fined \$10.

J. B. Carter, charged with drunken and disorderly conduct and assault, was fined \$10.

Lewis Hall, arrested for being drunk in the street, was dismissed.

Edward Davis, colored, charged with disorderly conduct, was fined \$5.

**Fined Ten Dollars.**

Some excitement was caused in the neighborhood of the Southern Railway depot yesterday evening by the conduct of a drunken man named J. B. Carter, who had been ejected from a saloon. The man had entered and endeavored to procure more liquor, which the proprietor refused to furnish him for the reason that he was drunk. Carter refused to leave the saloon and was forcibly ejected. Upon reaching the street he threw stones at the proprietor and applied many vile epithets to him. Officer Tiger appeared and took Carter in custody. When locked up he said he would allow no one to sleep in the station house, and yelled and kicked over benches. The Mayor this morning fined him \$10.

**More Seasonable Weather.**

The weather has been warm during the past forty-eight hours. Yesterday broke with every indication of high temperature, and the signs were by no means misleading. As the sun rose higher the mercury in the thermometer climbed also. There was a wind from the northwest, which tempered conditions somewhat, but during the lulls the heat was oppressive. Late in the afternoon a cloud appeared in the northeast and there was sprinkling of rain. Later there was a cloud several miles south of this city and apparently a copious rain. The temperature here today has been high and summer heat seems to have settled over us in earnest.

**Victim of Another Accident.**

Ex-Alderman Dobie made a mis-step in descending a staircase at his home on south Fairfax street yesterday morning and fell. His face came in contact with a piece of furniture at the foot of the steps and his cheek was seriously cut. Mr. Dobie had one of his small children in his arms at the time and his efforts to keep the little one from injury caused the accident to himself. This is the second accident which has befallen Mr. Dobie on the Fourth of July in the past few years, his face having on one occasion been seriously burned by the explosion of a small cannon. A few months ago it will be remembered, he lost an eye by oxalic acid being thrown into it at St. Asaph.

**Corporation Court.**

Dennis Carter, colored, has renewed his bond for his appearance on the 17th inst.

Windor W. Demaine has been appointed administrator for the estate of Jaze Turner.

A deed was recorded from the Mercantile Railway Building and Loan Association conveying to Mary A. McLearn a house and lot on the west side of Patrick street between Duke and Wolfe streets for \$950.

## New Wheat.

New wheat is now being received at the market here in large quantities from the wharves along the lower river and is bringing good prices, poor wheat selling at 70 to 75c per bushel, medium grades at 75 to 78c per bushel, while the best grades bring high as 81c per bushel. The steamers from down river points bring up several hundred bushels of the grain on each trip. The high price paid for corn has also brought good quantities of that grain to this market in the past day or two.

## Runaway.

While waiting at the corner of King and Payne streets for the 11:20 electric train from Washington on Thursday night, a horse belonging to Mr. George Carter became frightened at the cars and ran away with the empty buggy attached to it. The horse ran out King street, up Shooter's Hill down Janney's lane and was finally caught on the farm of Mr. Rixey about two miles outside the city. Fortunately neither the horse nor buggy was damaged.

## Vestry Meeting.

The members of the vestry of Christ Episcopal Church met Wednesday night and discussed the appointment of a pastor for that church to fill the vacancy caused by the resignation of Rev. Berryman Green, which took effect July 1. No definite action, however, was taken. The names of several prominent ministers have been suggested for the position, among them Rev. W. E. Evans, D. D., of Richmond, rector of the Monumental Church.

## Funeral.

The funeral of the late Mrs. Julia C. Demaine will take place from the residence of her stepson, Mr. William H. Demaine, at five o'clock this evening. The services will be conducted by Rev. J. P. Stump and the pallbearers will be Messrs. Wm. H. Demaine, Windsor W. Demaine, Ernest M. Demaine, George C. Johnson, George Slater and William Allen.

## Bible and Flag Presentation.

Yesterday being the seventh anniversary of the institution of James W. Jackson Council, J. O. U. A. M., the members celebrated the occasion by a flag and Bible presentation to the public school at Accotink, Fairfax county. About 100 members and their lady friends preceded to the place at Accotink at an early hour and listened to an interesting musical program furnished by Messrs. Dunn, Pitt, Padgett, and Wilkerson until 11 o'clock when with about 300 residents of Fairfax county they assembled at the schoolhouse to witness the ceremony. Mr. Wm. J. Mallen, chairman of the committee, introduced Mr. George H. Hayden, who with appropriate remarks presented the flag to the schoolboard and it was accepted by Rev. Dr. Menle in a beautiful speech. Mr. B. Frank Warder, of Jackson Council, presented the flag with a review of the principles of the order, which was much enjoyed. After the exercises the pavilion was filled with young people who danced till a late hour. Jackson Council now number 138 members.

## LOCAL BREVITIES.

There was an abundant supply of seasonable produce in market this morning and prices were weaker.

The excursion of the Elks next Tuesday will be a very pleasant affair and many from this city will be in attendance.

Another locomotive whistle got on a rampage at the Southern Railway depot Thursday night and its shrieks were not stopped until many people had been awakened.

The roof of a frame dwelling on Duke street between Alfred and Patrick caught on fire last night, but the flames were put out before much damage was done.

A regular meeting of the City School Board was held Thursday night. Mr. A. H. Thompson presided in the absence of the chairman. There was but little business transacted.

R. W. Wheat and others today sold their interest in two lots with the buildings thereon, on Union street between Queen and Princess to Harrie F. Wheat for \$500.

Messrs. Rodier & Groves of this city have finished painting the residence of Mrs. J. P. Stuart in Westmoreland county. The work is said to have been done in an artistic and workmanlike manner.

Mr. James E. Rose, formerly of this city but now of Washington, has been awarded the contract for furnishing the House of Representatives with stove and pig coal mixed at \$7.25 per ton, it being impossible to get furnace coal owing to the strike.

The little son of Mr. Henry Snell, of the Old Dominion Glass Works, was quite badly burned about the face by some fireworks while he was celebrating the Fourth yesterday. A youth named Toy was also burned on the face on south Patrick street by the explosion of a torpedo.

Messrs. Albert Bryan, G. H. Robinson, J. M. Hill, R. M. Green, and F. A. Howell were elected a board of managers of the Alexandria Light Infantry Veterans at the meeting Wednesday night. Mr. Ashley Miller was elected historian. The proceedings of the meeting were published in Thursday's Gazette, but they were inadvertently headed "Spanish War Veterans," another organization.

At the regular meeting of Council next Tuesday night a Police Commissioner for the Third ward will be elected and probably a School Trustee for the First ward. Captain Herbert Bryant will be a candidate for reelection for the first-named position, and friends of Mr. Thomas Fisher will present his name for the place. There are several candidates for school trustee.

A stranger invaded the City Hall Thursday evening and announced his intention of starting a silk farm and factory in this city which would employ a million men, women and children. He was introduced around the city officers and after he had disclosed his plans he was passed along.

Capt. H. W. Kline, Rescue Worker of New York and Washington, will conduct a service tomorrow at 3 o'clock: Subject, "Miracles of Grace." The tent in which the service will be held is located at the corner of Columbus and Queen streets.

Summer complaint is unusually prevalent among children this season. A well developed case in the writer's family was cured last week by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy—one of the best patent medicines manufactured and which is always kept on hand at the home of ye scribe. This is not intended as a free puff for the company, who do not advertise with us, but to benefit little sufferers who may not be within easy access of a physician. No family should be without a bottle of this medicine in the house, especially in summer-time.—Lansing, Iowa, Journal. For sale by Richard Gibson, druggist.

POISONING THE SYSTEM.

It is through the bowels that the body is cleansed of impurities. Constipation keeps these poisons in the system, causing headache, dizziness and melancholia at first, then unsightly eruptions and finally serious illness unless remedy is applied. DeWitt's Little Early Remedy is this trouble by stimulating the liver and promoting easy, healthy action of the bowels. These little pills do not act violently but by strengthening the bowels enables them to perform their own work. Never gripe or distress. For sale by E. S. Leadbeater &amp; Sons.
